

WANT A HEALTHY HAPPY FAMILY IN THE MIST OF TURMOIL? THEN LISTEN TO Positive encouraging music that does not Offend one's belief's or those of innocent children. This is a pure family station that can be listened to by anyone of any race or religion in our community without FEAR of what might be heard by the innocent and be blessed by those who seek a higher standard of living. Unlike public TV or sporting events indorced by govenrnment ran programs. Without such a program as K-Love we as a local community would suffer and our freedom would be oppressed once again by federal enthusiast who would prefer violent behavior and profanity used without considering those who practice the freedom of worship though music and positive behavior. The music is a soothing balm to an aching world. Let us enjoy one of our last freedoms without interference.
